## County of San Luis Obispo

TO: Board of Supervisors

FROM: Public Works

Armand Boutte', Development Services Division

VIA: Douglas A. Rion, County Surveyor

DATE: 12/15/2015

SUBJECT: Request approval of Parcel Map CO 04-0008, a proposed subdivision resulting in 2 lots by Lerno Family Trust, Whitley Gardens, which has been received and has satisfied all of the conditions of approval that were established at the public hearing on the tentative map; and act on the attached resolution to accept the offer of dedication for road widening, Whitley Gardens. District 1.

### **RECOMMENDATION**

It is recommended that the Board:

1. Approve Parcel Map CO 04-0008, a proposed subdivision of 2 lots by Lerno Family Trust, Whitley Gardens; and
2. Act on the attached resolution to accept the offer of dedication for road widening.

### **DISCUSSION**

The subject map has satisfied all the conditions of approval that were established in the public hearing on the tentative map. The map was processed by the County Planning Department with input from CAL Fire, County Public Works, Environmental Health, and other affected County Departments.

At the July 14, 2008 public hearing, the Subdivision Review Board granted tentative approval to the proposed subdivision. All proposed real property divisions are subject to a number of conditions of approval. The project owner has satisfied their conditions.

The Real Property Division Ordinance (Title 21 of the San Luis Obispo County Code) requires that when the conditions of approval have been met, and when an adequate parcel map that is substantially in conformance with the design of the approved tentative map has been submitted to the County Surveyor, the County Surveyor will transmit the map with his approval and certification to the County Clerk awaiting your Board's approval to record the map. Section 21.06.050 of the County Code requires your Board to approve the map if it is determined to be in conformity with the Real Property Division Ordinance and the Subdivision Map Act.

Your Board must also act on the attached resolution to accept to offer of dedication for road widening at the northeast corner of Grace Drive and Ross Drive.

## **OTHER AGENCY INVOLVEMENT/IMPACT**

The Clerk is to hold the map until your Board approves it. The Clerk also certifies the Board's approval, arranges receipt of the recording fee and after the signatures and seals have been affixed, transmits the map to the County Recorder. The County Recorder certifies and files the map as prescribed by the Subdivision Map Act and records the approved resolution.

## **FINANCIAL CONSIDERATIONS**

All costs for examination and certification of the map by the County Surveyor are paid by the project owner(s).

The average annual cost of additional County-maintained roads is calculated and tracked annually on a per mile basis for subdivision improvements. However, because widening a road does not increase the mileage of maintained roads, no cost estimate is presented for the recommended action.

There are no other costs associated with this action.

## **RESULTS**

Approval of the recommended action will allow the subdivision map to be filed in the office of the County Recorder.

## **ATTACHMENTS**

1. Vicinity Maps
2. Resolution Accepting a Variable Width Widening at the Northeast Corner of the Intersection of Grace Drive and Ross Drive in the County Road System County Road No. 5288 and 5287
